

Login Instructions

Visit Energy Transfer Website: <http://www.energytransfer.com/> and click the link for “Informational Postings and Customer Activities”:

The screenshot shows the Energy Transfer website homepage. At the top is the Energy Transfer logo and navigation links: News, Investor FAQs, and Contact Us. Below this is a secondary navigation bar with links: Corporate Overview, Operations, Investor Relations, Safety, and Careers. A large banner image of industrial piping with a yellow valve is displayed. Below the banner is the tagline "Perform. Deliver. Grow." followed by a brief description of the company's role as a natural gas transporter. The main content area is divided into three columns: Investor Information, News Releases, and Presentations. The Investor Information column lists stock prices for ETP and ETE, distribution pricing, and links to K-1 information and SEC filings. The News Releases column lists recent news items with dates. The Presentations column lists upcoming webcasts and presentations. At the bottom, there are three main links: "Interstate and Intrastate Informational Postings and Customer Activities" (highlighted with a red box and a red arrow), "Contact Numbers", and the "811" logo with the slogan "Know what's below. Call before you dig." The footer contains copyright information and additional links: Home, Careers, Contact Us, Terms of Use, and Privacy Policy.

© 2014 Energy Transfer Partners, L.P. | Home | Careers | Contact Us | Terms of Use | Privacy Policy

Click the “ETConnect Login” link on the EBB Page (Upper right Corner) or go directly to <https://etconnect.energytransfer.com/>

Input Credentials: ***Helpful Tip - If using Internet Explorer v10, run in compatibility mode if screen is blank. **IE v11 is not compatible*****

The screenshot shows the ETC Connect website. At the top right, there is a link for "Rover Pipeline (Marcellus / Utica)". Below this, a section titled "For Intrastate and Gathering Users:" lists several companies, each with a radio button next to it. A red arrow points to the last item in the list, "Pelico Pipeline, LLC ETCConnect". The list includes:

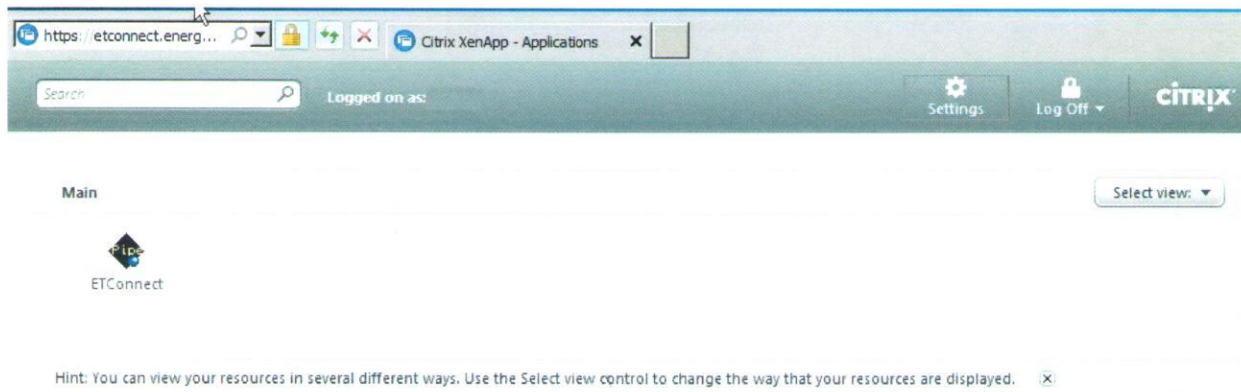

- ETC Katy Pipeline, LTD ETCConnect
- Houston Pipe Line Company, LP ETCConnect
- NSL Energy Marketing, a Joint Venture ETCConnect
- Oasis Pipeline, LP ETCConnect
- Energy Transfer Fuel, LP ETCConnect
- ETC Texas Pipeline, LTD ETCConnect
- Lobo Pipeline Company, LLC ETCConnect
- ETC Midstream I ETCConnect
- Pelico Pipeline, LLC ETCConnect

At the bottom of the page, there is a navigation bar with links: Home, Careers, Contact Us, Terms of Use, and Privacy Policy. The footer text reads "Energy Transfer Partners, L.P.".

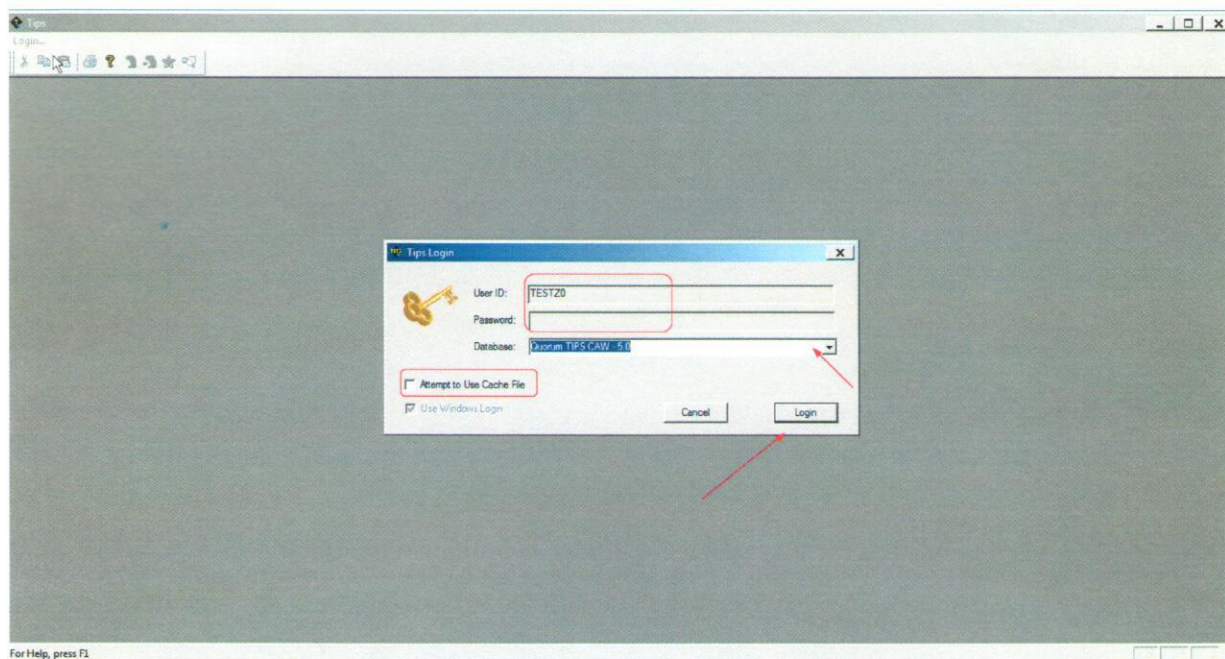

The screenshot shows the login page of the ETC Connect website. The URL in the browser is <https://etconnect.energytransfer.com/vpn/indexextbien.html>. The page has a "Citrix Access Gateway" tab. The login form is titled "Welcome" and includes the text "Please log on to continue." Below this, there is a logo consisting of three blue horizontal bars. To the right of the logo, there are two input fields: "User name:" and "Password:". There is also a "Log In" button.

ETCONNECT

Click ETConnect icon to launch application:

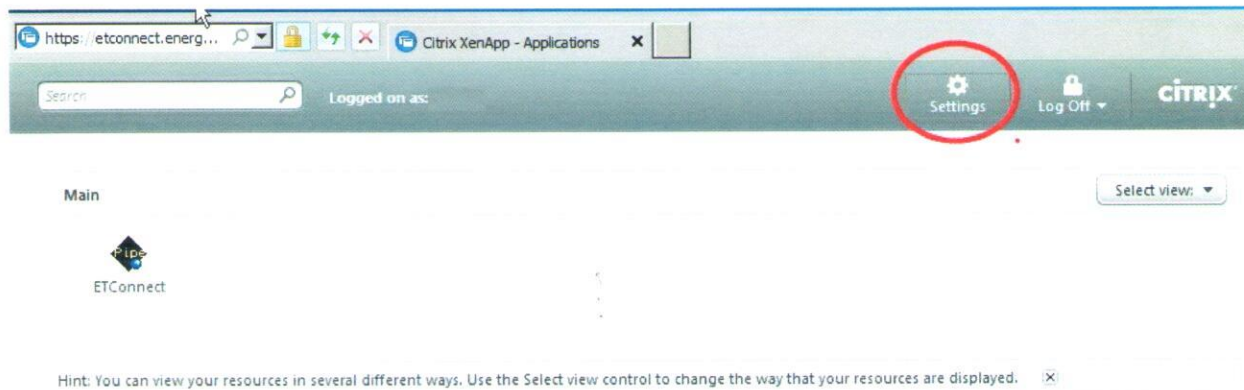

Enter the User ID and Password sent to you from ETConnect. Be sure to have a Database filled in and Cache "unchecked"

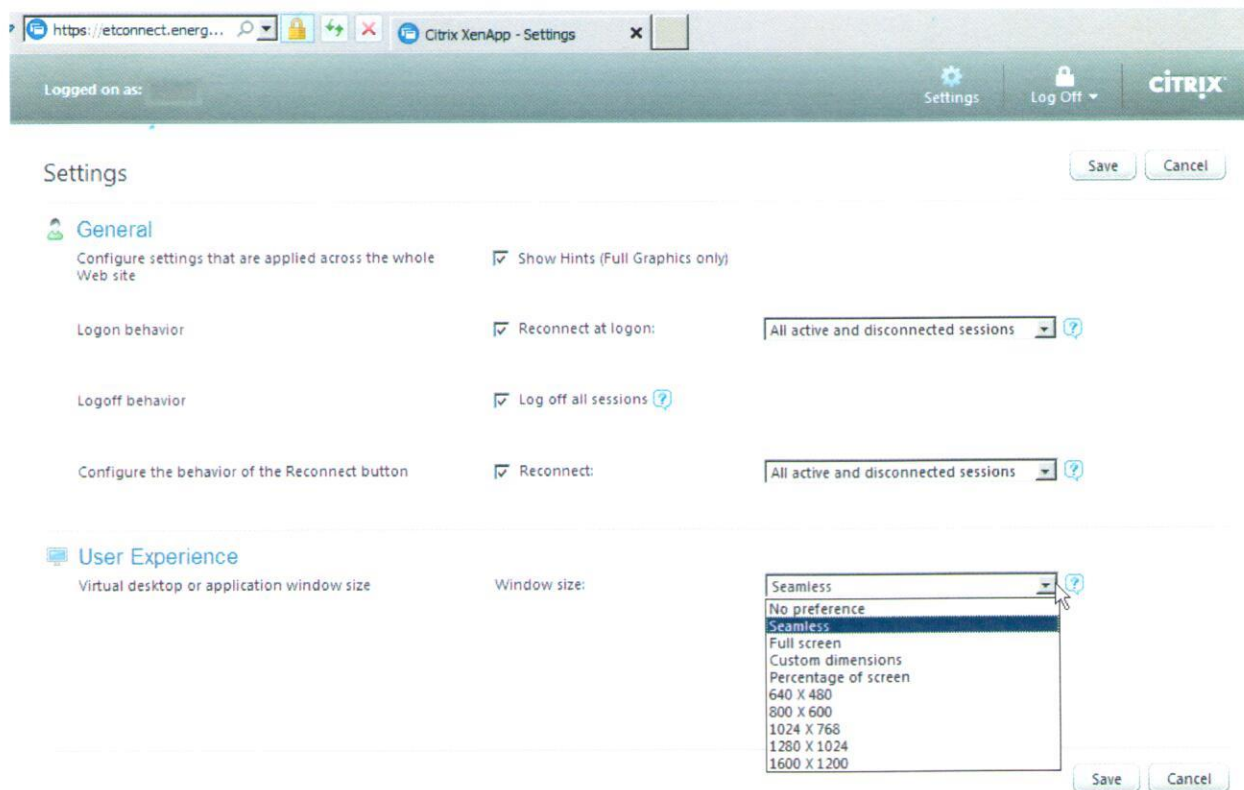

Updating Screen Resolution Preferences

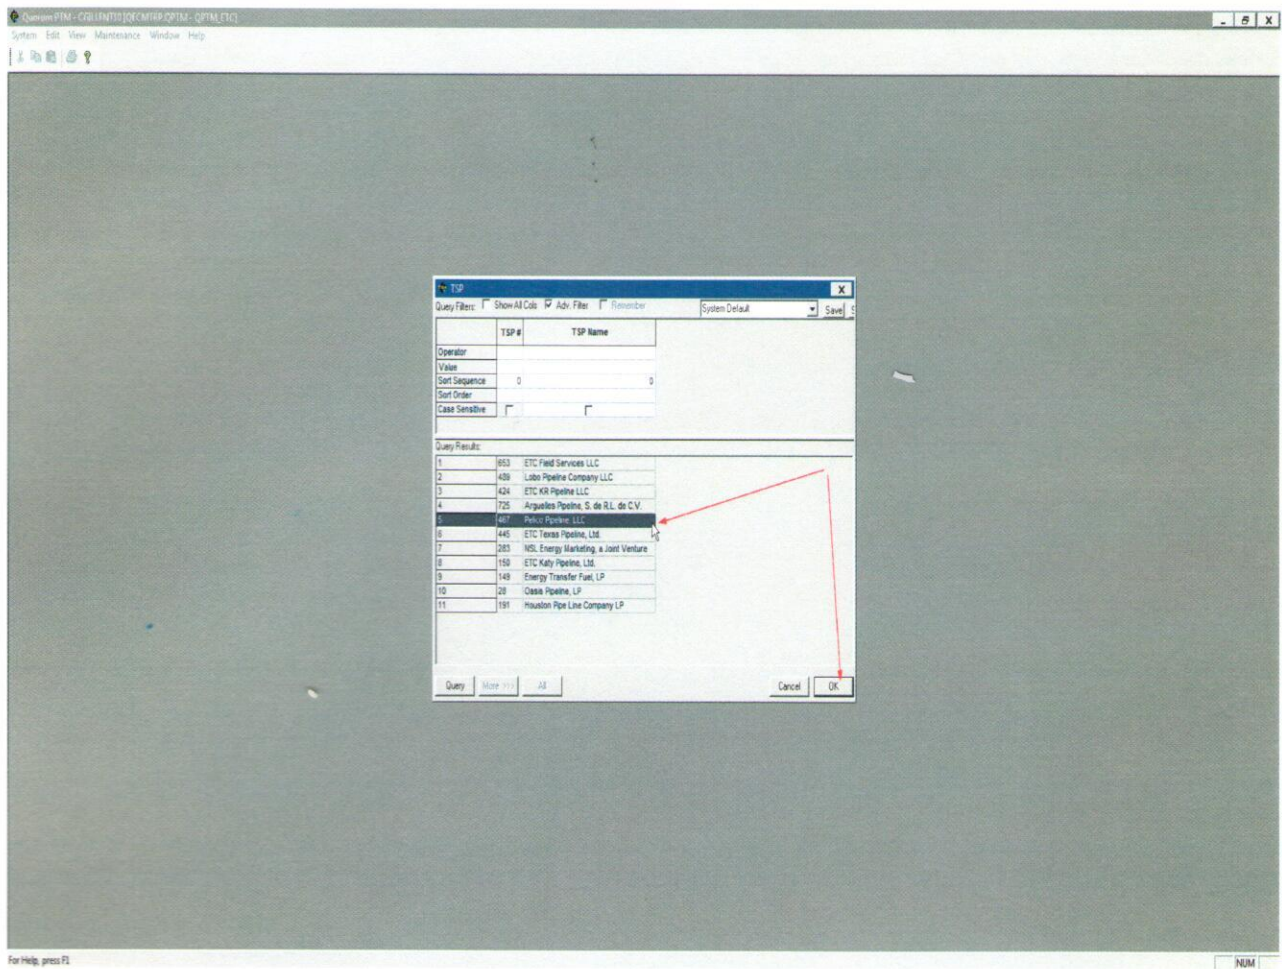

After initial login, Click Settings:

Change Window Size: The system defaults to a fixed resolution. If preferred, select “Seamless” for application to run as a stand-alone window.

After you enter your User ID and Password, the application will launch. After the application is loaded, you will see this, Click on PELICO and then “OK”

Go to CAW Screens – Nomination -> Nomintions -> Nomination Submission

Click the “Pick List” button to retrieve your Service Requestor BA Name and Number.

In the Grid, type part of your company name (if not displayed in the bottom portion of the pop up)

Click on Retrieve then highlight your company and click OK.

The screenshot displays the ETCCONNECT software interface. A dialog box titled "Get Service Requestor from search list" is open, showing a search grid. The grid has columns for "Svc Req", "Svc Req Prop", "Svc Req Name", and "Svc Req Loc". A red arrow points to the "Retrieve" button at the bottom of the dialog box. Another red arrow points to the "OK" button at the bottom right of the dialog box. The background shows the main application window with various tabs and a data grid.

Fill in the Receipt volumes and Deliver volumes before moving to bottom section of screen to enter the “pathing/contract” information

Below is an example of a successfully submitted nomination. Note the BV. This refers to Business Validated meaning no errors. Additionally you want to be sure that the REC VAR QTY and the DEL VAR QTY boxes have a Zero in them. This indicates all the gas is accounted for.

The bottom right side (supply) and left side (market) need to be balanced using the information in the middle nomination section. Once complete, click Submit and the results will look like the below screen shot.
